### DESCRIPTION

#### 2026 KIA Sportage LX AWD for sale

The 2026 Kia Sportage LX AWD builds on the LX FWD by adding all-wheel-drive capability, making it ideal for Canadian drivers who regularly encounter snow, rain, or challenging road conditions. The intelligent Active AWD system automatically distributes power between the front and rear wheels to maximize traction and stability. A drive mode selector allows drivers to tailor performance based on road conditions or driving preferences. In addition to the LX's standard features, the AWD version maintains the same spacious interior, advanced infotainment system, and comprehensive safety technologies. The combination of SUV versatility and all-weather confidence makes the Sportage LX AWD an excellent option for year-round driving across Canada.
